

Conestoga's Con-Nex™ offers a multitude of features and provides a safe, convenient way to obtain instant pricing and electronically place orders for most Conestoga products. Con-Nex can revolutionize your quoting process while shortening time required for order processing and placement tasks. That means enhanced efficiency to get your orders processed sooner!

*Quoting and
ordering simplified*

Samples of ordering screens

Features

- Easy to use interface that simplifies ordering.
- Calculate the list price, net price (less taxes and freight) and, if desired, calculate a markup to show a selling price to your customers.
- Split orders into multiple rooms (kitchen, hall, bath, etc.) to better manage your orders.
- Contains front frame templates, just insert your overall front frame dimensions, specify inset, partial or full overlay styling options and let Con-Nex calculate your door and drawer front sizes.*
- The Con-Nex Help Desk is available to answer any questions that may arise while placing your electronic order. Simply call your regional 1-800 number and press "2" (M-F 7am to 5pm ET).

Additional Functionality

- Application includes an interactive version of Conestoga's product manuals with an easy to use index.
- Store customer information so you can quickly find your Conestoga orders by your job name or purchase order.
- Work with multiple orders simultaneously.
- Print order summaries instantly, so you can easily compare them to the acknowledgement returned from Conestoga.
- Video tutorials you can watch to get up to speed quickly.
- Have your quote or order transmitted directly to Conestoga (M-F 1:30am - 7:00pm/M-F 8:00pm - 11:30pm/Sat 1:30am - 6:00pm/Sun 12:00pm - 11:30pm ET) and within 5 minutes you will receive an acknowledgment.
- Automatically checks for updates every time you transmit an order to ensure that you have access to the latest products and current pricing.

*Feature not available to all customers.

How to get the software

Con-Nex is available only to active Conestoga customers and their direct employees. You may download and install the application by visiting <https://my.conestogawood.com>. While there is no cost to install or use the application, Con-Nex requires a license keycode for each computer where it is installed. For more information contact your Conestoga Sales Representative.

Need Additional Training?

Conestoga offers in-house Con-Nex training, as well as online training for long distance customers. For more information, email us at train@conestogawood.com, contact your Conestoga Sales Representative or call the Con-Nex Help Desk.
