Flexible BY Design

Our Floor Mounted and Wall Mounted Closet Systems deliver a full custom closet design with your choice of over 30 TTS/TFL colors. The Floor Mounted System is secured to the wall with a hanging rail. The Wall Mounted Closet System is fully suspended from the wall, offering the same design flexibility while leaving baseboards in place — ideal for retrofits or installations where floors are not level or have vents and other obstacles to work around.

Trusted QUALITY YOU CAN count on

Every Conestoga Closet System carries the craftsmanship and reliability built over decades of RTA experience. Engineered for longevity, these systems provide durable, beautiful storage that keeps your home organized for years to come.
