

Vogue Collection

*Designed to Impress,
Engineered to Endure*

Style meets strength in surfaces designed to deliver – wherever life happens.

Shown in Essenza Oak

Whether you're building dream kitchens, outfitting high-traffic retail, or specifying materials for schools and healthcare facilities, Vogue TTS is engineered for real-world performance without compromising on design.

Crafted with a subtle, natural woodgrain texture, Vogue offers the warm look of wood and the resilience of engineered materials—perfect for today's modern interiors.

Roble Eternity (4AE)

Key Features

Antibacterial Protection

Kills up to 99% of bacteria on contact within 24 hours—built in for life.

Extreme Stability

Performs in high-humidity and fluctuating environments, eliminating material expansion and contraction.

Easy to Work With

Consistent, and contractor-friendly; no need for finishing, saves time and labor.

Colorfast

Resistant to fading and discoloration from sunlight and artificial lighting.

Versatile Applications

From homes and retail to commercial spaces, schools and healthcare settings.

Smart Value

High-end look and feel without the premium price tag.

Durability

Scratch and moisture-resistant, ensuring long-lasting durability and easy maintenance.
